TEMPLE UPDATES

The crew that comes in in on Tuesdays have been very busy over the summer. Neil Copeland has been coordinating the group of volunteers to do many jobs, some we may not even notice at first glance. Work continues and if you can ever help, please contact Neil #440-729-9090.

Some of the work recently completed includes: vertical blinds in Friendship Room repaired, yard work, faucets replaced and new hand towel units installed in some bath rooms. The storage units were cleaned and all 3 air conditioning units work now.

Much electrical work was also done, including updating light fixtures, fixing the dimmer control in the Lodge room, and adding some new lighting in the building. The switch for the downstairs main light is now by the main door. Cable is no longer available. The custodian stripped & waxed the Friendship Room & main lobby floors.

The special group of members that come in and give their time freely to work on various projects is greatly appreciated. Money is tight and therefore many of the things that we would like to do can't be done till funds are available. Please help with costs by always shutting off all of the lights and the air conditioning when leaving.

Thank you, your Temple Board

SCRIBES CORNER

I hope everyone had an enjoyable summer. A big thanks to those that donated their time to work on many of the projects that needed to be done for our Temple. If there is something that you want to see done at Lyndhurst please let the Temple Board know. In these tight times our budget is small but our volunteers will try to get any reasonable request fulfilled.

September 13th is the annual Lyndhurst Home Days. We have been taking part as a group for many years and I thank all who are able to come. It is always the 1st Sunday after Labor Day so please consider joining us next year on September 12th.

In this issue I have all of the local Eastern Star Installations listed below and the tentative information for our four Lodges. The November/December issue will again have all of the 22nd District Installations, with ours highlighted.

Plans are underway for another Holiday Party for all of the children from our Lodges & Eastern Star Chapter. It will be Sunday afternoon, the 13th of December.

Thanks to all who give me news for their Masonic body. Please submit information by the middle of the month before the next issue is due. That really helps!
